

CALL FOR PAPER

POSTDEADLINE PAPER SUBMISSION DEADLINE: 05.09.2022

ECOC 2022 BASEL

European Conference on Optical Communication
CLEO/Europe Focus Meeting
18 – 22 September 2022
ecoc.info

Plenary Speakers

Didier Queloz

*Noble Prize Winner
ETH Zurich, Switzerland
Univ. of Cambridge, UK*

Christoph Glingener

*Chief Technology Officer
ADVA
Germany*

Elisabetta Rugi Grond

*Chief Executive Officer
Thales Alenia Space
Switzerland*

Mark G. Thompson

*Chief Technologist
PsiQuantum
USA*

David F. Welch

*Chief Innovation Officer
Infinera
USA*

Sponsors

Platinum sponsor

Silver
sponsors

LIGHTWAVELOGIC

Co-technical
sponsors

Technical Scope

Novel Fibres, Fibre Devices & Amplifiers
Photonic Devices & Technologies
Photonic Integrated Circuits, Assemblies & Packaging
Techniques for Digitally Enhancing Optical Communication
Theory of Optical Communications
Optical Transmission Systems
Core & Metro Networks
Access, Indoor & Short-Reach for Data Centres and Mobile Networks
Photonics for RF & Free-Space Optics Applications
Architecture, Control & Management of Optical Networks
CLEO/Europe Focus Meeting (co-located)
Emerging Photonic Devices, Technologies & Applications
Novel Photonic Materials & Effects
Quantum Photonics

Location — Basel, Switzerland
